

Consumer Affairs Victoria (CAV)

Co-ops require manual reporting to Consumer Affairs Victoria annually & Co-ops are not covered by the direct transfer of data from the ACNC to CAV.

The following is a summary of the explanation from CAV:

1. CAV confirms the exemption of payment for the lodgement of an annual statement is for registered Incorporated Associations only.
2. XXX CERC Ltd is registered as a Co-operative administered under the Co-operatives National law and not registered as an Incorporated Association. An identical entity cannot be registered as both an Incorporated Association and a Co-op.
3. XXXX CERC is registered with the ACNC as a Co-operative, not an Incorporated Association and Registered Co-operatives are still required to lodge their annual statements plus fee with CAV.

If you have any questions or need any assistance, please contact your coops allocated CEHL CDC.
